*[March]* Meeting Minutes approved 7-0-0

Meeting called at 11pm

### **Championships (Good bad and the ugly)**

- Good: Media, Volunteers, Registration, Umpiring, location
- Bad: timing of event fell behind
- Ugly: need to find a more sure way of collecting rosters/lineups

### **NCTTA Sanctioned Events—ratings (discussion)**

- Several school teams contacted WL to use NCTTA ratings for extra B team tournaments and even unsanctioned fundraisers
- Discussion of Pro's and con's. Pro's: could be some more cash flow for NCTTA and ratings for college players more accurate; Con's: random non college players with ratings could be floating around
- Also having B team competitions be open, not segmented to regions
- Allow RD's and DD's that were available to run this, strictly B team competitions, maybe put a ratings cap of lower than 1500?

### **Scholarship schools push**

- Recruitment committee bust, after 300 school outreach only 3 schools interested, very disappointing, want to understand what is next?
- Build a website for potential scholarship schools to use as a resource? Google sites?
- Attend another NAIA conference?

### **Regional Director recruitment**

- looking at having 2 RD's per Regional to help with: Eligibility for each school in each division, to help with Regional streaming points, to help with training DD's, following up and running the actual event
- South, West, Northeast has 2, now for Midwest, Great Lakes and Mid Atlantic is the key— **ACTION ITEM:** Jay to help recruit for this

### **2024 Championship Table movement/logistics**

-We have 36 tables and over 700 barriers, several rolls of flooring lots of miscellaneous equipment in 3 storage rooms that we pay 4-500 dollars a month for

-cost for shipping one semi worth of our stuff is 9-12k from 2 companies I got an estimate for

-who is loading the truck? Who is unloading the truck? To where? another storage place in Eau Claire? Who is coordinating on the ground in Eau Claire

**Options:**

a. Move our stuff up to Eau Claire

b. Find sponsorship so all of our stuff doesn't have to move ( note we have to pick up maybe 1 truck full of things still: pipe and drape, flooring, tape, radios, monitors, volunteer shirts)

c. Rent everything from a local TT club

Sponsorship with Animoca Brands?

- RK described the presentation and will need to follow up with Nelson Chin about this

**Did not get to these topics, will push to next month mtg:**
