

NCTTA Championship Regulations, Rules and Financial Assistance

For the 2006-2007 Championships

Last updated: by NCTTA Championships Committee May 1, 2006

REGULATIONS

- 1) NCTTA championship will be held at the conclusion of the NCTTA League Competition Season. The exact dates and location are determined through a formal bidding process (please see the document titled, *NCTTA Championship Bidding Guidelines*).
- 2) Championships Team Qualification
 - a) Teams must meet the membership requirements found within the NCTTA Handbook and Membership Agreement to be eligible for invitation.
 - b) Divisions must satisfy the division requirements set forth by NCTTA (see the *NCTTA Handbook*) to be eligible to qualify **any** team to the Championships.
- 3) Men's/Coed teams will be invited to the NCTTA Championships according to the following selection criteria:
 - a) **Division champions will receive automatic invitations to the Championships.** If the division winner is ineligible or declines the invitation, the 2nd place team in the division will be invited to participate. Automatic invitations will not extend beyond 2nd place.
 - b) **The host school will receive an automatic invitation to the Championships.** However, since the bid was determined months ahead, *the host's school's invitation will be withdrawn if the school does not exhibit sufficient effort to participate in league play or otherwise fails to fulfill the terms of NCTTA membership.*
 - c) **All remaining Championship spots (up to the maximum decided on for that year) will be filled on a wild card basis** according to the following system:
 - Invitations will be extended to teams in order of decreasing team rating, where team ratings are calculated as described in (6) below.
 - Divisions with 8 recognized teams will be eligible to qualify a second team to the Championships before teams from other divisions are considered.
- 4) Women's teams will be invited to the NCTTA Championships according to the following selection criteria:
 - a) **Division champions will receive automatic invitations to the Championships.** If the division winner is ineligible or declines the invitation, the 2nd place team in the division will be invited to participate. Automatic invitations will not extend beyond 2nd place.
 - b) **The host school will receive an automatic invitation to the Championships.** However, since the bid was determined months ahead, *the host's school's invitation will be withdrawn if the school does not exhibit sufficient effort to participate in league play or otherwise fails to fulfill the terms of NCTTA membership.*
 - c) **All remaining Championship spots (up to the maximum decided on for that year) will be filled on a wild card basis** according to the following system:
 - Invitations will be extended to teams in order of decreasing team rating, where team ratings are calculated as described in (6) below.
 - Divisions with 4 recognized teams will be eligible to qualify a second team to the Championships before teams from other divisions are considered.

5) Qualification for NCTTA Paralympic events will be follow the NCTTA Paralympic Championships Guidelines as defined by the NCTTA Championships Committee.

6) Team ratings and seeding for the Championships will calculated based on the top 4 players from a school that are eligible to compete in the Championships (see next item).

7) Rosters:

a) Players need to have represented the school in at least one divisional meet either in an A team, B team, or Women's team match before being allowed on the championship roster.

b) **Championship rosters must have a minimum of 4 players.**

c) Players need to satisfy the NCTTA eligibility requirements, with documented proof (the NCTTA Eligibility Form or acceptable substitute) submitted to the NCTTA Registrar by the deadline. Players must also submit an NCTTA Championship Agreement and NCTTA Registration Form by the deadline. Late paperwork submissions **may** be accepted with an appropriate late fee, however, this is not guaranteed.

d) Preliminary rosters listing all the players that could play for a team in the championships are due by a deadline decided by the NCTTA Championships Committee. Changes or additions to this roster after the deadline require explicit approval of the Championships Committee.

8) All participating teams are required to have team uniforms for the Championships. A team uniform must at the minimum consist of matching shirts containing the team's name or logo. Matching shorts are strongly encouraged. Uniforms must be worn at all time during championship matches. No exceptions will be made.

9) Format

The NCTTA Championships will follow NCTTA League Competition Rules with the following exceptions:

- Championship-specific rule modifications are permitted as decided by the NCTTA Championships Committee and Host Organizing Committee. These changes should be described in the Championship's Athlete's Handbook.
- Rules and format for Paralympic events will follow guidelines adopted by the Championships Committee.

10) Female players can be included on the rosters for both Coed and Women's teams. However, if both teams are scheduled to play within the same time period such players can only be included in the match lineup for one of the matches. In other words they must choose which team match to participate in. No match will be held up unnecessarily.

FINANCIAL ASSISTANCE

- 1) NCTTA is able to provide LIMITED funding for eligible schools to participate in the NCTTA championship, provided that the teams have exhausted all available resources and contacts at their institution.
- 2) Before filing for NCTTA financial assistance, the eligible championship teams should:
 - Read the document entitled, NCTTA Fund Request Information, on the NCTTA website.
 - Apply for institutional assistance according to the guidelines outlined in that document.
- 3) If after exhausting institutional resources, a team still has unmet funding needs, it can then ask for NCTTA financial assistance through a formal application. The application needs to be submitted to NCTTA at least 2 weeks prior to the Championships
- 5) The NCTTA financial committee will consider all such requests after completion of the championships and notify involved teams of their decisions in a timely fashion.
