

2010 NCTTA Officer Elections – Treasurer Position
Statement of Intent
Francois Charvet, Acting Treasurer, NCTTA

Dear club presidents/representatives,

First I would like to thank the NCTTA board for creating a positive environment and constantly trying to improve what we do every day. Second, I would like to thank you, for trying to keep things together at your respective schools, recruit members, travel to meets, deal with your local administration, and so on. I have now acted as treasurer for the past two years, and would be happy to do so again. As a treasurer, my main tasks/activities have centered around:

- Maintaining our quickbooks accounting.
- Yearly budgeting.
- Coordinating any type of payments, refunds, expenses, etc.

In addition, I also sat on the champs committee for the last two years, mainly helping work on the champs budget and working for our partners (host organization, ACUI, sponsors). NCTTA is very stable financially, and in fact surplus has been steered towards bumping up contributions to the newly created Newgy-NCTTA scholarship program. Division director travel assistance was also streamlined and formalized during the past years.

I would like to run again for treasurer, not only in the hope to keep our accounting/financial functions in a healthy state, but also to support any initiative that translate into long-term growth for NCTTA as voting board members. If you have any questions on where I stand personally regarding specific NCTTA matters or suggestions, please feel free to e-mail me directly at treasurer@nctta.org. There are simply too many to list.
