

## Statement of Intent

### Position: Human Resources Director

Xian Meng (Sam) Huang

I am the current human resources director and I would be very happy and interested to stay on and continue with this position. I am very passionate about table tennis and I have a lot of experience with the organizational aspects of NCTTA and sports in general. I was the president of the University of Ottawa Table Tennis club for 4 years and I led our team to a 3<sup>rd</sup> place finish at the NCTTA Nationals for 2 years. I am the current club advisor for the University of Toronto Table Tennis club and I was the acting regional director for the Great Lakes region this year. I have been the marketing committee chair for the NCTTA for 2 years now and was instrumental in acquiring key sponsorships from TMS International and PepPod. I believe that my experience and work in the collegiate table tennis community speaks for itself and I know that I will continue to do my part in promoting the sport of table tennis at the collegiate level and expand the NCTTA to greater heights.

I look forward to the opportunity to stay on as the human resources director.

Sincerely,
