

Statement of Intent

Position: Human Resources Director

Xian Meng (Sam) Huang

I am the current human resources director and I would be very happy and interested to stay on and continue with this position. I am very passionate about table tennis and I have a lot of experience with the organizational aspects of NCTTA and sports in general. I was the president of the University of Ottawa Table Tennis club for 4 years and I led our team to a third place finish at the NCTTA Nationals for 2 years. I was also the club advisor for the University of Toronto Table Tennis club from 2013-2015 and I was the acting regional director for the Great Lakes region in 2015. I was also the marketing committee chair for the NCTTA from 2013-2015 and was instrumental in acquiring key sponsorships from TMS International. I have represented NCTTA at various events including the Connect Conference in 2015. In Summary, I have extensive experience with the NCTTA and will continue to be a key asset for the NCTTA.

I believe that my experience and work in the collegiate table tennis community speaks for itself and I know that I will continue to do my part in promoting the sport of table tennis at the collegiate level and expand NCTTA to greater heights.

I look forward to the opportunity to stay on as the human resources director.

Sincerely,

Xian Meng (Sam) Huang
