

Name: Tae Kim
Position: VP Internal
Education: Cal Poly Pomona

Hello, my name is Tae Kim and I would like to run for VP Internal. It is my passion and joy to do what I can to promote table tennis nationally and help move our organization forward. I absolutely love our community and am proud to be able to be a part of the cog that helps it run.

I have been actively serving as NCTTA's Webdeveloper for the last 6 years, Tech Committee Chair for the last 5, and Board Member - Athlete Representative for the last 4 years. At our last held Nationals event, I served as the Multimedia Team Lead which was the management of 3 traditionally independent teams working in interlace towards a common goal. I have exposure to our org from many different aspects which I believe is essential for the VP Internal role where understanding and communication among the different components which make up who we are. I hope to serve NCTTA in continually increasing ways.

Best,
Tae
